THE THOROUGHBREDS

Just wait till you hear these men sing "Those Good Old Days"! Wow! The Thoroughbreds decided five years ago to be the International Championship Chorus. Their dreams came true in Kansas City in 1962 when judges said they were the top chorus in 5 categories of judging. Since 1962 the group has remained aggressive, and better today than three years ago. When you hear 50 men blend like 4 men — when you see those 100 white gloves move together — when you hear those chords ring — you'll be glad you came tonight!

“Want To Join Us?”

Hey, Fellas!

The Thoroughbreds would be honored to have you attend their weekly meetings held every Monday night at 8 o'clock, V.F.W. Hall on Sherrin Avenue in St. Matthews.

You would soon find Barbershopping to be a healthy, wholesome activity — one readily approved by the “little lady.” After the meeting, we indulge ourselves in coffee and snacks (no alcoholic beverages served at our regular meetings).

If you’ve always liked our kind of singing and have had a hankerin’ to become a part of it, NOW is your chance! Why not treat yourself to next Monday night with a real bunch of regular guys? You’ll be glad you did. For further information, just call
